Plaintiff's attorney and staff maintain that their lodestar in the case and expenses paid amount to \$39,489.40. Thus, Plaintiff maintains that an award of \$14,999.99 in attorneys' fees and \$1,764.40 in expenses is fair and reasonable. My hourly rate for this matter is \$325.00 per hour.

Plaintiff's Counsel's work in this matter consisted of without limitation: multiple conversations with Plaintiff by phone and in person at the office; background research of the company and prior lawsuits; preparing and filing the Complaint and commencement documents; legal research; preparation and submission of initial disclosures, discovery demands and responses; review of Defendants' responses, employment documents and payroll records; preparation of damages calculations and revisions; preparation for and attending Court conferences; correspondence with the Court; various settlement negotiations with defense counsel; evaluation of claims, damages and issues; preparation and submission of mediation statement; attending mediation; preparation and submission of settlement conference statement; attending settlement conference; and preparation of the motion for settlement approval.
